Amman Road (A4069) is closed to allow the Coal Authority to carry out repairs on a collapsed mine working, the diversion is quite long and as a result people are driving along the cycle path to cut through, there have also been issues with HGV's using Neuadd Road/Nant Gwineu Road and getting stuck, one lorry has had to be lifted out with a crane. There have been issues with school and college buses. Would ask Councillors to promote the local businesses impacted by the closure. Shared the link with updates regarding this from the Coal Authority.

Cllr. L. Preece mentioned a statement from NPTCBC in a BBC article saying that Valleys & Villages money is being used to repair potholes, is this accurate and is it what the money was intended for?

Cllr. S. Reynolds stated that the fund was intended for improvements not maintenance but is not aware of it being used in this way. Cllr. L. Preece will send the link to Cllr. S. Reynolds and Cllr. S. Thomas.
